

INVITATION

You are cordially invited to the 2008 Conference of Polish Genealogical Societies which is being hosted by the Polish Genealogical Society of Michigan. Where is it? -- In Salt Lake City at the Salt Lake Plaza Hotel and the Family History Library of the Church of Jesus Christ of Latter-Day Saints (Mormons). This world-renowned genealogy library is open to the public and access to the fabulous resources in its collection of books, maps and microfilm from all over the world is free of any charge. We plan this event to allow researchers time in the library and still be able to hear and learn from the best of Polish/Eastern European genealogical researchers and speakers. The conference includes lecture sessions, conference packet including syllabus, hospitality refreshments, and banquet with a keynote address.

Additionally, professional genealogists have agreed to allot 15 minute segments in the FHL to assist researchers. Prepare your questions - signup information later.

If you would like to participate in the BYU Family History Digital Scanning project bring you unbound manuscript.
